

TRIM-KUT DISCS

Ideal for light grinding and surface conditioning applications. Use with a wide variety of tools to handle grinding and sanding jobs. The unique plastic back allows self-trimming to assure a constant fresh edge. Both 3" and 5" discs come with one 1/4" mandrel. The 4 1/2" discs have a 7/8" arbor hole. Other mandrels and adapters are listed below.

Part No	Size/ Grit	Max RPM	Pack
873024	3" x 24 grit	21,000	25
873036	3" x 36 grit	21,000	25
873060	3" x 60 grit	21,000	25
873120	3" x 120 grit	21,000	25
874036	4 1/2" x 36 grit (7/8" arbor)	13,000	25
874060	4 1/2" x 60 grit (7/8" arbor)	13,000	25
874120	4 1/2" x 120 grit (7/8" arbor)	13,000	25
875024	5" x 24 grit	12,000	25
875036	5" x 36 grit	12,000	25
875060	5" x 60 grit	12,000	25
875120	5" x 120 grit	12,000	25

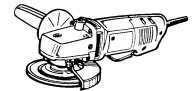

Part No	Size	Pack
874001	1/4" Straight Mandrel	1
874002	5/8-11 Adapter	1
874003	3/8-24 Adapter	1
874004	10M-1.25 Adapter	1
874005	10M-1.50 Adapter	1
874006	14M-2.00 Adapter	1

MANDRELS & ADAPTERS

Use to mount Trim-Kut discs on a wide variety of tools.

MINI GRIND-R QC DISCS

Kasco *Mini Grind-R QC Discs*. These discs bring a new level of performance to quick change discs. The Type R quick change button is integral with the plastic back, eliminating any chance of the button coming off. The one piece polymer back is much stronger than a paper or cloth disc. These discs will outlast standard discs by up to five times.

They can also be special ordered in silicon carbide and alumina zirconia. Standard pack of 10.

Part No	Description
660507	2" Type R Disc - 24 Grit Alum Oxide
660508	2" Type R Disc - 36 Grit Alum Oxide
660509	2" Type R Disc - 50 Grit Alum Oxide
660510	2" Type R Disc - 60 Grit Alum Oxide
660511	2" Type R Disc - 80 Grit Alum Oxide
660512	2" Type R Disc - 120 Grit Alum Oxide
660513	3" Type R Disc - 24 Grit Alum Oxide
660514	3" Type R Disc - 36 Grit Alum Oxide
660515	3" Type R Disc - 50 Grit Alum Oxide
660516	3" Type R Disc - 60 Grit Alum Oxide
